Greener every day

Save 30% energy with highly efficient HD motor*

The new highly efficient HD motor uses up to 30% less energy, while keeping the excellent suction power.

Low power consumption, high-power results
- New 1250 Watt HD motor generates max. 325 Watt suction power

Less waste in the environment
- At least 25% of plastics is sustainable

Helps to prevent strain on back and wrists
- Unique ergonomically designed PostureProtect handle

Change controls without bending down
- Fingertip controls in the handle

Effortlessly maintain optimal suction power
- Hygienic semi-automatic filter-cleaning system

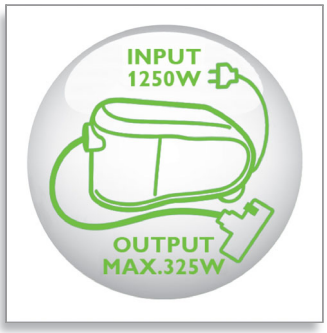
Highlights

New 1250 Watt HD motor



Highly efficient 1250 Watt HD (High Density) motor generates 325 Watt max. suction power, which means that you use 30% less energy without giving in on the cleaning result.

Use of sustainable materials

At least 25% of plastics are produced from bio based or reclycled material. Biobased means that the plastic is made out of non-eatable organic materials instead of scarce resources like oil.

PostureProtect handle

The patented PostureProtect handle offers you 4x a better body posture: it helps to prevent bending while cleaning; it supports keeping your wrist in a comfortable position; both handles make manoeuvring easy; and you can regulate the vacuum cleaner with fingertip controls.

Fingertip controls

Via the buttons in the handle you can easily operate your vacuum cleaner - without bending!

Filter-cleaning system

Effortlessly maintain optimal suction power by unclogging the filter without touching the dust.

Specifications

Design
- Color: Greige and green

Performance
- Input power (IEC): 1250 W
- Suction power (max): 325 W
- Vacuum (max): 30 kPa
- Airflow (max): 38 l/s
- Noise level (Lc IEC): 78 dB

Filtration
- Dust capacity: 2 l
- Filter type: Gore-Tex HEPA 10
- Filter cleaning system: Manual rattle system
- Exhaust filter: Ultra Clean Air HEPA 13 washable filter
- HEPA Air Seal

Usability
- Action radius: 11 m
- Tube type: Metal 2-piece telescopic tube
- Handgrip: PostureProtect handle
- Carrying handle: Top and front
- Coupling: Button
- Park or storage assist: Back and bottom
- Wheel type: Rubber
- Power control: Electronic on handgrip
- Cord length: 8 m

Nozzles and accessories
- Standard nozzle: TriActive nozzle
- Accessories: Crevice tool, Small nozzle
- Accessories storage: On handgrip

Sustainability
- User manual: 100% recycled paper
- Material: 25% of bio-based and recycled plastics
- Packaging: > 90% recycled materials
